

ADDENDUM II

December 2, 2011

Please note the following modifications to the Request for Information RFI # - RE_MRC20111028.

Sections E1.0 Responses Format and E2.0 Timetable have been modified.

E1.0 Responses Format

Respondents are requested to respond to this RFI by answering the questions set out in Appendix D. Any additional information should be included in a separate section identified as "Additional Information." Respondents are encouraged to limit the documents submitted to information that is relevant to this RFI.

RFI Responses are to be submitted by December 16, 2011 to:

CBC/Radio-Canada

General Services Desk

1400 René-Lévesque Boulevard East

Montréal, Québec H2L 2M2

RFI# RE_MRC20111028 MRC Redevelopment

Attention: MRC Project Manager - Real Estate Services

Email address: info.site@radio-canada.ca

RFI Responses can be submitted by electronic means or delivered to the above-mentioned address.

Kindly indicate the RFI reference number in the title of the email, if the Response is submitted electronically, or identify the RFI reference number on the exterior of the envelope, if delivered via courier or mail.

E2.0 Timetable

The following timetable is applicable to this RFI:

Issue Date of RFI	October 28, 2011
Non-Mandatory Information Session (including Site Visit)	November 16, 2011 from 10:00 to 12:00 (EST)
Suggested Date for registration for an optional Commercially Confidential Meeting (CCM) and receipt of signed Non-Disclosure Agreement from the qualified Respondents	November 17, 2011
CCMs	November 17, 2011 to <u>December 14, 2011</u>
Respondents' Deadline to submit Questions	<u>December 14, 2011</u>
CBC/Radio-Canada's Deadline to send answers to Respondents' Questions	<u>December 16, 2011</u>
Submission Deadline	<u>December 23, 2011</u>

Should CBC/Radio-Canada proceed with any redevelopment project, a RFP is not expected to be initiated before spring or summer of 2012.

Note: CBC/Radio-Canada reserves the right to modify this timetable in any manner. It will notify immediately all Respondents of any such modification.
